At Dawn We Slept is the name of a book by Gordon W. Prange that says as much in the title. I doubt anyone could have come up with a better name. The dawn attack on Pearl Harbor was successful because the U.S. was unprepared. It does not mean that we did not have the proper equipment, training, or deployment of forces.

At Dawn We Slept: The Untold Story of Pearl Harbor by Gordon W. Prange. Decades after the attack that plunged America into WWII, At Dawn We Slept remains the greatest account of Pearl Harbor ever written. This gripping study scrupulously reconstructs the Japanese attack, from its conception (less than a year before the actual raid) to its lightning execution; & it reveals the true reason for the American debacle: the insurmountable disbelief in the Japanese threat that kept America from ...

At Dawn We Slept is probably the best book yet written or likely to be written on this always compelling subject. I've read most of John Toland's Pacific theater histories and "The Pacific War" by John Costello and Samuel Eliot Morrison's quite good "History of United States Naval Operations in World War II : The Rising Sun in the Pacific, 1931-April 1942" and Gordon Prange's work is quite simply the best.
