Dark Souls: The Age of Fire is a limited comic series published by Titan Comics, written by Ryan O'Sullivan. The first issue was set to be released on May 16th, a week before the release of Dark Souls Remastered, but was delayed to a later date. The series serves as a (non-canonical) [citation needed] prequel to Dark Souls, and is set, as the title suggests, during the Age of Fire.

The comic is about the war with the dragons at the age of ancients. It'll chronicle of the heroes and the main player during the war until the beginning of the age of fire. After the end of dark souls 3 dlc I have more clear picture on what happened. I'll make the story close to the lore as much as possible.

There isn't just one Dark Souls randomizer mod. Instead, there are several different ones that randomize individual aspects of the game. On the Nexus Mods page for Dark Souls, there's both an item randomizer mod and an enemy randomizer mod. These work together to completely overhaul the Dark Souls experience. The appeal of these two mods comes from their customizability.
