A level 5 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Clare West. 'Please, Mr Murdstone! Don't beat me! I've tried to learn my lessons, really I have, sir!' sobs David. Although he is only eight years old, Mr Murdstone does beat him, and David is so frightened that he bites his cruel stepfather's hand. For that, he is kept locked in his room for five days and nights, and nobody is allowed to speak to him. As David grows up, he learns that life is full of trouble and misery and cruelty. But he also finds laughter and kindness, trust and friendship . . . and love.

David Copperfield is the story of a young man's adventures on his journey from an unhappy and impoverished childhood to the discovery of his vocation as a successful novelist. Among the gloriously vivid cast of characters he encounters are his tyrannical stepfather, Mr Murdstone; his brilliant, but ultimately unworthy school-friend James Steerforth; his formidable aunt, Betsey Trotwood; the eternally humble, yet treacherous Uriah Heep; frivolous, enchanting Dora Spenlow; and the magnificently impecunious Wilkins Micawber, one of literature's great comic creations. In David Copperfield - the novel he described as his 'favourite child' - Dickens drew revealingly on his own experiences to create one of the most exuberant and enduringly popular works, filled with tragedy and comedy in equal measure.

For David Copperfield, orphaned and with a cruel stepfather, the future looks bleak. But a new start beckons with the magnificent Mr Micawber, then with his eccentric aunt, Betsey Trotwood.
