intelligence, logistics, and operations. Described and analyzed are the German order of battle, the major military engagements in North Africa, and the particular problems of terrain and climate in desert operations. Not unlike many of the U.S. units engaged in the war with Iraq, the Germans in North Africa learned

## Download Free Desert Survival Sition Answers

about combat operations in the desert only after they arrived on the scene and confronted the desert on its own terms. For this reason alone, as well as for the insights it offers, Desert Warfare requires the serious consideration of those responsible for preparing the U.S. military for any future conflict in desert terrain.”
