parts and any unused parts are returned in the replacement part packaging.

Replacement Parts - Haas Automation

“We discussed which machines to get for a week or more. We discussed every detail, and Haas helped with that, too. We finally decided on the ST-30 for turning. These are our first CNC machines, and we are very pleased with the machines and the service. The ST-30 does most of our parts, because we make so many pulleys and round parts.”
