This is a great book, largely because it is very different from the sensationalist, anger-fuelled words on the back of the cover (and rather removed from its title, too). It is a very well written, humorous description of how management consultancies work, seen from the eyes of a junior staff member.

In many ways House of Lies is like any other show with an anti-hero like Marty Kaan at its center. Management consulting is just the backdrop (like advertising is for Don Draper or drug dealing is for Nancy Botwin). The anti-hero gives us a person to project our deep-seated Id. Kaan is the person who takes risks, who is exciting and unpredictable.

House of Lies is as brash and cocky as the management consultants it follows; it 's also filled with just as much bullshit. As Marty Kaan (Don Cheadle), the miracle-working closer for Galweather Stearn, puts it in one of the show 's patented asides to the audience: " Still don 't know what we do? Then I guess we 're doing it right. "

Review: House of Lies: Season Two - Slant Magazine

Would you recommend House of Lies to your friends? Why or why not? It's funny and thoughtful. I am sure it dramatizes up Management Consultancy. It is absolutely worth a listen. I finished it in just a few days. What does Johnny Heller bring to the story that you wouldn 't experience if you just read the book? Did an amazing job on this one.
