Philosophy of Mind: A Contemporary Introduction is a comprehensive and accessible survey of main themes, positions and debates in philosophy of mind. John Heil introduces and discusses the major topics in succinct, user-friendly, self-contained chapters: * Cartesian dualism * Descartes's legacy * non-Cartesian dualism * behaviorism * the identity theory * functionalism * the representational theory of mind * qualia * radical interpretation * the intentional stance * eliminativism * property dualism * mind and metaphysics * the mind's place in nature This revised and updated edition includes expanded chapters on eliminativism, qualia, and the representational theory of mind, and an entirely new chapter on property dualism. There are annotated suggestions for further reading at the end of each chapter, updated to include recent material and internet resources.

A young boy is worried about what will happen to his body when he hears such expressions as "I'm tongue-tied," "don't give me any of your lip," and "I put my foot in my mouth."

The New York Times–bestselling author of The Select “combines medical and political intrigue into one explosive, warp-speed thriller” (Douglas Preston). To end the war on drugs, the president of the United States decides to legalize narcotics—and tax them heavily. Some think he’s crazy. Others want him dead. The president’s personal physician, John Van Duyn, took an oath to do no harm, but after a Colombian drug lord kidnaps his six-year-old daughter, he’s forced to do the unthinkable to save her: poison the president.

This is the fifth of the new Lifelong Learning: Personal Effectiveness Guides by Rosalie Marsh, which draw from her extensive skills & industrial experience in sales management, and work-based learning in adult and further education. It is a step in the personal and professional journey, where development of the whole person is at the heart of Marsh's ethos.As with the other books in the series, Talking the Talk: Getting the Message Across is designed to be read in bite-sized chunks. This user-friendly workbook will help you prepare well to deliver an interesting talk or presentation that will be remembered for all the right reasons. What is the purpose of this user-friendly book?Some of us are frequently in situations where we have to give a talk or presentation. For some, in contrast, their first time is looming frighteningly close. Talking the Talk: Getting the Message Across looks at the skills and knowledge that you need to:?' Prepare well.' Become confident and overcome nerves.' Deliver an interesting talk or presentation that will be remembered for the right reasons.Some of the benefits of Talking the Talk: Getting the Message AcrossAfter reading this user-friendly book and completing the short activities, you will be able to:?' Communicate effectively.' Understand the basic principles behind effectively 'getting your message' across to your audience.' Identify the learning needs of your audience.' Identify and use effectively, visual aids and resources.Whom is this book for?Many pupils now present their projects to the class at an early age. ? This book therefore, aimed at the home learner, is for a wide variety of ages, in a variety of settings, both formal and informal.' For those in a training situation who have not had formal training for the role.' It can be used according to age, ability, and needs from a young age, through to academic study, and onwards into the workplace, and other activities in private life.

This book covers not only the pros and cons of prescription drug and surgical treatments for Parkinson's, but discusses the latest alternative therapies, including herbal treatments, traditional Chinese medicine, Ayurvedic medicine, diet, exercise, mind-body approaches like Tai Chi, and energy work.

Regan Keller fell in love with a wealthy and powerful man once. He was her boss. When that turbulent relationship ended, she swore she’d never again date someone she worked with. That was before she literally fell into her new boss’s lap. Zachary Benson is the head of a successful empire and used to getting what he wants in the boardroom and outside of it - and what he wants is Regan Keller. He’s determined to convince Regan that even though he’s her boss, they can share a life together. However, when Regan’s past threatens to destroy the architectural firm Zach has invested his entire career in, he has to make an executive decision whether to choose his business or fight for the woman he loves.

Reese was the first author to introduce the 'over the shoulder' approach to describing bridge hands, and it was an immediate success. In this book, the reader can follow the thought processes of an expert through the bidding and play of many fascinating hands. First published in 1960, it is now back in print after being unavailable for a number of years.
