Raine Benares is a Sorceress Seeker of average ability until she comes into possession of an amulet that amplifies her powers-and her enemies.

'It all began in Cambridge. We were gathered there for the Alumni Weekend, when a thousand elderly graduates return to hear lectures from the great minds of the 21st century.' This sets Nott pondering his own mortality, the environment, but more importantly, climate change. Will the gloom mongers be proved right? This is serious stuff, but quickly spirals into fantasy. A mixture of fact, fantasy, imagination and truth, Sir John's writing is extremely funny: one premised on a serious subject but written with an ironic, irreverent twist.

Hillary Rodham Clinton was the first First Lady to have her own office in the West Wing of the White House and the only First Lady ever to be subpoenaed to testify before a grand jury. Upon leaving the White House, she was elected as the first female Senator for New York, then served as one of America's most popular Secretaries of State. Will she now become the first female President of the United States? Hillary is poised to decide whether she will launch a fresh attempt to take the highest office in the world and make history in doing so. But what is Hillary really like? Will she run? Can she win? What can the world expect from Hillary if she does get back to the White House? What sort of President would she be? Robin Renwick, who was the British ambassador in Washington when the Clintons arrived in the White House, seeks to answer these questions and more in this vivid portrait of one of the most polarising and central figures in recent US political history.

Joe "Duff" McBride's new book, A Tale of Two Gimps: "Such Is Life," tells the eye-opening and, at times, sidesplitting story of his misadventures as a self-titled "gimp"--the result of a car accident as a teenage boy that left him physically disabled, but with his sense of humor fully intact. His witty perspective on life, especially the difficulties of his new situation, is shared and even amplified by his friendship with "Mouse," another teenage boy who finds himself in a similar predicament. When the two teens become acquainted at a rehabilitation hospital in Philadelphia, they are both also becoming acquainted with the tremendous challenges forced upon them by their spinal cord injuries. These problems are more than just the physical handicaps, but the emotional and psychological ones as well, as the two boys manage to keep the spirits of others high as well as their own, at the same time they struggle daily with the kinds of basic activities that most people take for granted. Even though the book is intended to entertain the reader with unblinking honesty and biting humor, it also presents a remarkable account of two young men doing the best they can. A Tale of Two Gimps is a unique work, offering a glimpse into a world many can't imagine. It is sad, touching, hilarious, filled with hope, disgusting, shocking, crude and raw. Just like life. It shows how, for these two indomitable young men, 'it was the worst of circumstances, and it was the best of circumstances.'

Being an adult has its advantages... Lucas Abbott and his identical twin grew up sharing everything—including a reputation for funny, idiotic behavior. But now that Lucas is ready to shed that lovable-idiot image, grow up and have a real, adult relationship, the joke 's on him. He and his twin have fallen for the same woman. Crushed and hoping a few days on the slopes will work out his frustrations, he heads for Stowe, Vermont. All thought of fun and relaxation flies away as a car spins out in a snowstorm, and his firefighter/paramedic training kicks into high gear. Danielle Rowson is hoping to pick up the pieces and build a new life for herself and her daughter in Vermont. Winding up in a ditch in the middle of a blizzard isn't part of the plan—and neither is the kind, sexy rescuer whose strong hands pull them to safety. Lucas has been a little kid, a big kid and now an adult—and he discovers that adulting has more than one advantage. Especially when it comes to sharing with Dani and Savannah the one thing that 's his and his alone: his love. Reading Order for Green Mountain/Butler, Vermont Series Green Mountain Series Book 1: All You Need Is Love (Will & Cameron) Book 2: I Want to Hold Your Hand (Hannah & Nolan) Book 3: I Saw Her Standing There (Colton & Lucy) Book 4: And I Love Her (Hunter & Megan) Novella: You 'll Be Mine (Will & Cameron 's Wedding) Book 5: It's Only Love (Ella & Gavin) Book 6: Ain't She Sweet (Charley & Tyler) Butler, Vermont Series Book 1: Every Little Thing (Grayson & Emma) Book 2: Can't Buy Me Love (Patrick & Mary) Book 3: Here Comes the Sun (Wade & Mia) Book 4: Till There Was You (Lucas & Danielle)

Learn a broad range of techniques for dry flies, streamers, and wet flies by tying the modern flies that everyone is talking about. Author Tim Cammisa teaches you how to tie these simple but effective patterns and then how to take the techniques you've learned and use them for most of the other core patterns—old and new—that should be in your box. Includes information on the latest materials, tying tips from other tiers, and 16 patterns with recipes and complete step-by-step instructions.

Car Safety Wars is a concise history of the hundred-year struggle for safer cars and highways, involving at least six presidents, reluctant congresses, a fiercely resisting automobile industry, unsung heroes, and GM detectives.

Start and Run Your Own Private Therapy Practice Running your own private practice takes more than an advanced degree, memberships in professional psychology organizations, and the ability to be a good therapist. And while your continuing education and training may be useful, setting up and managing a successful practice is a matter of business and organizational know-how as much as professional proficiency. If you're opening your own private practice or want to run your existing practice more efficiently, Private Practice Made Simple is your detailed guide. This book offers tips on everything from getting client referrals and creating a positive and comfortable office atmosphere to building a strong and thriving therapy practice that can serve both you and your clients. You'll learn how to attract clients as a new therapist and how to manage your practice as it grows. This complete tool kit will help you: Find an office and set up a treatment room Establish headache-free routines for organizing client information and forms Decide on a fee and manage your finances Prevent burnout by maintaining a healthy work-life balance

A woman finds herself in need of protection and seduced by honor in this Novel of the Elder Races from New York Times bestselling author Thea Harrison. On the run from her former employer, Tess knows that she's vulnerable on her own amongst the Elder Races. That's why she decides to audition to become the human attendant of a powerful Vampire of the Nightkind demesne. But while her position affords her the safety she seeks, her protector turns out to be more than she bargained for. The right-hand man of the Nightkind King, Xavier del Torro is both terrifying and alluring. While his true nature frightens Tess, she can't ignore the appeal of his innate sense of integrity and self-restraint. Thrown into Xavier's world, Tess must quickly learn to navigate the dangers—both to her life and to her heart. But the biggest threat comes from her own past...

A Gripping Story of Love, Loss, and Second Chances When her husband disappears into a mountain snowstorm one morning, Kathryn Jennings is flung into the world of ranching, banking, and business. Penniless and pregnant, Kathryn is determined to keep her land as a legacy for her child. The man who offers her a job seems to have an awful lot of secrets, but she is desperate. Most disconcerting of all is the uncanny familiarity she feels toward the badly scarred ranch hand who works in the dark shadows of the horse stables.
