2. To be completely useless; that is, to do nothing but occupy space. Bill, quit taking up space and help me out here! They were handling the situation so deftly on their own that I felt like I was just taking up space. See also: space, take, up. Farlex Dictionary of Idioms. © 2015 Farlex, Inc, all rights reserved.

Take up space - Idioms by The Free Dictionary

Take Up Space synonyms. Top synonyms for take up space (other words for take up space) are taking up space, step into shoes and occupy space.

55 Take Up Space synonyms - Other Words for Take Up Space

In this episode of Taking Up Space we feature conversations on personal space, body autonomy, and consent. While discussions about consent and autonomy are becoming increasingly prevalent in feminist spaces, it ' s important to include marginalized folks, who have to fight harder to maintain their own bodily autonomy, in these conversations. A warning that this episode deals with mature content, specifically revolving around sexual assault, so listener discretion is advised.

Taking Up Space — CFUV Podcasts

Space exploration is a risky business. Space is a vacuum and humans cannot exist in a vacuum. This means that we have to create crafts and suits which provide an environment where humans can...

Space exploration is the use of astronomy and space technology to explore outer space. While the exploration of space is carried out mainly by astronomers with telescopes, its physical exploration though is conducted both by unmanned robotic space probes and human spaceflight.

## File Type PDF Taking Up Space Exploring The Design Process

Space exploration - Wikipedia

Although few of us are able to travel to space, our understanding of it is enlarged by the use of orbiting space telescopes and probes that explore other worlds. For example, every day or so, new images come to Earth from Mars , sent by robotic probes that deliver new views and studies for scientists to analyze.
