The Fifth Beginning: What Six Million Years of Human ...

We face a totally different future. Kelly argues that the starting point of the Fifth Beginning was about AD 1500, the beginning of European expansion, followed by the Industrial Revolution, capitalism, and globalisation. From the archaeological perspective, these centuries were a period of radical change.

Book Review: The Fifth Beginning - World Archaeology

Kelly predicts that the emergent phenomena of this fifth beginning will include the end of war as a viable way to resolve disputes, the end of capitalism as we know it, the widespread shift toward world citizenship, and the rise of forms of cooperation that will end the near-sacred status of nation-states.
