The Manual What Women Want

The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction – on what women REALLY want – not what they CLAIM they want or what males in general BELIEVE women want. It incorporate men's and women's socialization and explains phenomenas such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long ...

The Manual: What Women Want and How to Give It to Them ...

The point, he says, is that women want men that other women are interested in. But not men who are interested in all women. That's quite genius there and deserves a quote: Women want men all women want; not men who want all women. Communicate Directly. A big tenet of "The Manual: What Women Want" is direct communication.

The Manual: What Women Want and How to Give It to Them by. W. Anton (Goodreads Author) 4.22 · Rating details · 782 ratings · 55 reviews The Manual is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else.

The Manual: What Women Want and How to Give It to Them by ...

Keep reading to discover the secret manual for understanding what women really want This is not a case of judging women and saying they are only interested in a man for his money, not at all! It appears to be more about the psychology of the human mind and how women will automatically consider what is best for their kids... essentially can the man provide and give her what she needs / wants?

(PDF) The Manual: What Women Want and How to Give It to ...

W. Anton created this manual as a guide to getting girls and understanding women. It helps men to develop a natural ability to be good with women by understanding what they are attracted to, and a focus on natural attraction. It also explains why men think women are attracted to things such as money and why women “play hard to get”.
