With its first introduction in the mid-1990s, China has limited experience with road safety audits. To strengthen the use of road safety audits for reducing traffic accidents and impacts, China could take advantage of the experience from other countries with more mature audit systems. The paper recommends five action steps:

Councilor’s in Lower Ormond are calling for road strengthening on routes affected by recent Borrisokane works. The N52 Birr Road had been closed for around six weeks, forcing temporary traffic diversions onto back roads which aren’t used to that level of traffic. Councilor’s have asked the Council to make a case to Transport Infrastructure Ireland for [...]
