Courtesy Odegaard Writing & Research Center. Ann Arbor: University of Michigan Press, 1997. Choose a topic. As those who have written one before know. Good writing is as important as good research. If you cannot write well, the contribution of your research may be lost to everyone except yourself.

~~Writing the research paper — Best college essay editing ...~~

Writing a research paper requires you to seek out information about a subject, take a stand on it, and back it up with the opinions, ideas, and views of others. What results is a printed paper variously known as a term paper or library paper, usually between five and fifteen pages long—most instructors specify a minimum length—in which you present your views and findings on the chosen subject.
